Action Taken Report on Student Feedback

This report outlines the actions taken based on the student feedback collected for the academic year 2019-20. The feedback form was designed to gather insights into the students' academic experience, focusing on various parameters such as academic support, infrastructure, extracurricular activities, and career guidance.

1. Academic Performance & Support

Feedback Summary:

- **Quality of teaching in core subjects:** Majority of students rated the teaching quality as "Very Good" or "Excellent."
- **Availability and helpfulness of faculty:** Students appreciated the faculty's availability but recommended more one-on-one interactions.
- **Clarity of course objectives and outcomes:** Feedback indicated a need for clearer communication of course goals.
- **Faculty guidance during practical's or projects:** Overall positive, though students suggested better guidance during practical sessions.

Action Taken:

- Additional training and workshops were conducted for faculty to improve teaching methodologies and communication of course objectives.
- Faculty have been advised to hold more frequent individual consultations with students.
- Extra lab hours and dedicated project mentoring sessions have been introduced for practical subjects to enhance guidance.

2. Laboratory & Practical Experience

Feedback Summary:

- **Availability and quality of lab equipment:** Students felt the equipment was generally good but noted occasional unavailability.
- **Opportunity to work on real-life case studies or design projects:** Students wanted more real-world applications integrated into their curriculum.
- **Safety and cleanliness of laboratory facilities:** Generally rated as good, with a few requests for better maintenance.

Action Taken:

- Investment was made in upgrading laboratory equipment and ensuring availability during practical sessions.
- New curriculum changes were introduced, incorporating more real-life projects and industry-related case studies.
- Regular maintenance schedules have been implemented to ensure that the laboratory facilities remain clean and safe.

3. Learning Resources

Feedback Summary:

- **Access to library resources:** Students were generally satisfied but requested more e-resources and updated reading materials.
- **Availability of online learning platforms:** Students expressed a need for more online learning tools.
- **Usefulness of reference materials:** Some students suggested more recent publications and supplementary reading materials.

Action Taken:

- The library has expanded its collection of e-books and subscribed to more online journals and databases.

- Additional online learning platforms have been introduced, providing students with greater access to learning materials remotely.
- Faculty have been encouraged to update their reading lists with more contemporary references and supplementary readings.

4. Extracurricular Activities

Feedback Summary:

- **Availability of extracurricular activities:** Students found the range of activities satisfactory but requested more events related to their field of study.
- **Opportunity to participate in college events/competitions:** Some students felt there was a lack of information about upcoming events.

Action Taken:

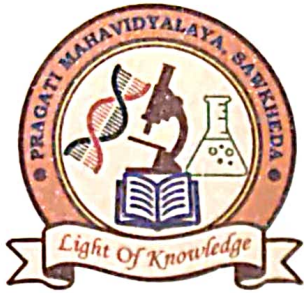

- The college has expanded its roster of extracurricular activities, including more academic-related seminars and workshops.
- A centralized platform has been developed to inform students about upcoming events and competitions, ensuring better communication.

5. Infrastructure & Facilities

Feedback Summary:

- **Condition and cleanliness of classrooms:** Students were generally satisfied, though some requested more frequent cleaning.
- **Availability of IT infrastructure:** Many students found the IT infrastructure lacking, particularly in terms of internet connectivity.
- **Canteen and other amenities:** Students recommended improvements in the canteen's quality and variety of food options.

Action Taken:

- Regular cleaning schedules have been enforced to maintain classroom cleanliness.
- The IT infrastructure has been upgraded, with improved internet access and updated software in computer labs.
- The canteen menu has been revised to offer a broader range of nutritious food options, and the quality of service has been enhanced.

6. Career Guidance & Support

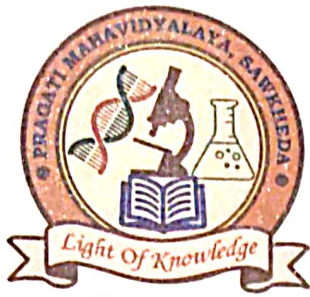

Feedback Summary:

- Career counseling and guidance:** Students appreciated the counseling services but requested more detailed guidance on job opportunities and further studies.
- Exposure to industrial visits and internships:** Feedback indicated that students wanted more industrial visits and internship opportunities.

Action Taken:

- The Career Counseling Cell has been strengthened with regular workshops, seminars, and guest lectures by industry experts.
- New partnerships with industries and organizations have been established, providing students with more internship and industrial visit opportunities.

7. Overall Satisfaction

Feedback Summary:

- The majority of students expressed overall satisfaction with their course and college experience, with many stating they would recommend the college to others.

Action Taken:

- Continuous improvements across academic and non-academic areas are being made based on student feedback, ensuring that the college meets students' expectations and maintains high standards.

Suggestions for Improvement and Action Taken:

- Academic Experience:** Students recommended more industry-relevant coursework. The college has introduced curriculum changes to align with industry needs.
- Facilities & Infrastructure:** Students requested more accessible study spaces. A new study room has been established in the library.
- Career Support:** More career workshops and alumni interaction sessions are being organized to provide better career guidance.

Conclusion:

Pragati Mahavidyalaya remains committed to enhancing the academic and overall student experience based on feedback. The actions implemented for the academic year 2019-20 have shown positive results, and continuous improvements will be made to address future feedback.
