Policy for Physical Facilities

Introduction:

The physical infrastructure of a college plays a crucial role in supporting academic, administrative, and extracurricular activities. Our college, spread over 3 acres of land, is equipped with state-of-the-art facilities designed to enhance the learning experience for students and provide a conducive environment for staff and faculty members. This policy outlines the management and maintenance of physical facilities to ensure their optimal use.

Objectives:

1. To provide a well-maintained, clean, and safe environment for students and staff.
2. To ensure the availability of modern educational tools and equipment for effective learning.
3. To promote the efficient use of space for academic and extracurricular purposes.
4. To ensure regular maintenance of physical facilities to prevent deterioration.
5. To provide essential utilities such as water, electricity, and IT infrastructure for smooth operations.

PRINCIPAL
Pragati Mahavidyalaya
Sawkheda Tq.Sillod, Dist. Aurangabad

Scope:

This policy covers all physical facilities within the college premises, including buildings, classrooms, laboratories, administrative offices, sports facilities, and utilities such as water, electricity, and sanitation. It also encompasses the management of equipment like computers, projectors, and safety measures like fire extinguishers.

Importance:

Physical infrastructure is vital to the academic success of students and the overall efficiency of the institution. Properly managed facilities provide a safe and comfortable learning environment, enhance academic performance, and support extracurricular activities. The college's infrastructure includes classrooms, assembly halls, science laboratories, libraries, computer labs, and sports equipment, all of which are integral to holistic student development.
